

# UNIVERSITY OF ILLINOIS URBANA CHAMPAIGN

URBANA, ILLINOIS

Timberscapes™ is a durable woodgrained resilient sheet vinyl and the ideal flooring solution for projects that require a rich, warm appearance on a restrictive budget.

Timberscape's™ no-wax, no-buff, low maintenance surface delivers a flooring system that meets the needs of a variety of industries, features fiber glass reinforcement for excellent dimensional stability and is backed by a powerful 12-year warranty. A great floor that delivers an equally great value. University Housing chose Timberscapes™ because of its richness in color, durability and low maintenance.
